

Doptelet Connect™ offers access and reimbursement support to help patients access Doptelet® (avatrombopag). Doptelet Connect provides information regarding patient insurance coverage and financial assistance information that may be available to help patients with financial needs.

## DOPTELET CONNECT CAN

Evaluate a patient’s insurance coverage, including benefits investigation (BI), prior authorization (PA), and appeal support

Identify potential financial assistance options that may be available to help patients with financial needs

Answer logistical questions and provide information and coordination around the specialty pharmacy fulfillment process

If an HCP office would like to enroll a patient into Doptelet Connect, the HCP should follow Step 1 on the left side below.

	HCP OFFICE	DOPTELET CONNECT
STEP 1	<ul style="list-style-type: none"> <li>Complete the Prescription and Enrollment Form and fax the completed form to Doptelet Connect.</li> <li>Submit the Patient Consent Form (if not already included with the Prescription and Enrollment Form).</li> </ul>	<ul style="list-style-type: none"> <li>Performs a BI</li> <li>If a PA is required, provides HCP with appropriate PA form to complete and submit to payer</li> <li>Identifies potential financial assistance options that may be available to help patients with financial needs</li> </ul>
STEP 2	<ul style="list-style-type: none"> <li>Receive results of the BI and appropriate PA form from Doptelet Connect.</li> <li>Complete the PA and submit it directly to the payer.</li> </ul>	<ul style="list-style-type: none"> <li>Monitors the status of PA submitted by HCP until payer determination is final</li> </ul>
STEP 3	<ul style="list-style-type: none"> <li>Once the PA is approved, send the approval information to Doptelet Connect.</li> </ul>	<ul style="list-style-type: none"> <li>Sends the prescription to the appropriate specialty pharmacy or on-site dispensing pharmacy</li> </ul>

The specialty pharmacy will communicate directly with the patient to coordinate delivery and inform the HCP office if there are any issues. If copay assistance has not been obtained, the specialty pharmacy will verify and enroll the patient as appropriate.

HCP=healthcare professional.
