5 PATIENT AUTHORIZATION STATEMENT

My signature on this application for the Doptelet Patient Assistance Program ("PAP" or "Program"), authorizes my doctor(s), healthcare providers, health plan or payer, and my pharmacy to disclose to Sobi Inc. ("Company") and its third-party suppliers, vendors, and other service providers supporting Doptelet Connect (collectively, the "Service Providers") information about me. This information may include, but is not limited to, my Social Security number, date of birth, name, and/or address as needed to access my credit information and information derived from public and other sources, including information from a consumer reporting agency (credit bureau) to estimate my income in conjunction with the eligibility determination process performed in reviewing my eligibility under the PAP, as well as my medical condition (for example, my diagnosis or medications) (together, "Protected Health Information and/or Personally Identifiable Information"). The Personally Identifiable Information used by Service Providers can include spoken or written facts about my health and insurance benefits. It can include copies of records from my healthcare providers or health plans about my health or healthcare. I know I have a right to see or request a copy of the information my healthcare providers or payers have given to the Service Providers. I understand that my healthcare providers and my pharmacy may receive remuneration, or payment, for disclosing my information pursuant to this Authorization. I understand that Doptelet Connect and other Service Providers may be compensated by Sobi. I understand that Service Providers reserve the right to ask for additional documents and information at any time.

The Service Providers will use and give out my information to (i) assess my eligibility under the Doptelet PAP; (ii) enroll me in the Doptelet PAP, if I am determined eligible; (iii) provide me and/or the person legally authorized to sign on my behalf with information and educational material; (iv) verify my eligibility for re-enrollment in the Doptelet PAP, if applicable; and (v) assist with analyses of the efficiencies and performance of services provided by Service Providers. If I am eligible to participate in the Doptelet PAP, I understand that: (i) continued enrollment in the Program is not guaranteed, (ii) re-enrollment is not automatic, (iii)) I cannot submit a claim or seek reimbursement or credit for product I receive under the Doptelet PAP from my insurance provider or payer, and (iv) no payer, third party, or patient may be charged for PAP product provided under the PAP Program. I agree to notify Doptelet Connect if I become aware of changes that would affect my eligibility, including, but not limited to, changes in health insurance status or coverage, financial status, and United States residency.

In some instances, the Service Providers may de-identify my information and use or disclose the de-identified information (in individual or aggregated form) for any legitimate business purposes. I understand that the Service Providers will make reasonable efforts to keep my information private; however, I understand that once my information has been disclosed to the Service Providers, how the Service Providers further disclose my information may no longer be protected under federal and state privacy laws.

This Authorization will last for three (3) years from the date of my signature or until I am no longer receiving Doptelet® (avatrombopag) or enrolled in the Doptelet PAP, whichever is later, unless a shorter period is mandated by state law. I understand that I do not have to sign this Authorization, but if I choose not to sign this Authorization, Doptelet Connect will not be able to evaluate my eligibility for participation under the Doptelet PAP.

I agree to allow Service Providers to contact me via email or cell phone using the contact information provided in this application unless I otherwise inform Doptelet Connect that I do not wish to receive text messages. I understand that receiving text messages is optional and I can participate in the Doptelet PAP without agreeing to receive text messages. I understand that by providing my cell phone number on this application I agree to receive text messages with the following conditions:

- Service Providers may send an autodialed pre-recorded text message (standard text message and data rates apply).
- I can opt out at any time by calling 1-833-368-2663 or replying "STOP" to the text messages.
- Service Providers are not responsible if a communication is not delivered due to technical difficulties like server issues, phone carrier outages, or discontinued service.
- I am aware that anyone who can open or have access to my phone might see the text messages.
- If my mobile operator is not participating in text messaging services, I will not receive text messages.
- I CANNOT report product complaints or adverse events (like side effects) by text message. To report these, please call Doptelet Connect at 1-833-368-2663.
